

SALT & LIGHT

ACCENT FURNITURE

W23012

Put your feet up and enjoy this casual accent piece. The top is removable and the wooden inside can be used to store small items. The base of the stool is wrapped in natural fiber rope and the top is upholstered in an off-white, slightly textured fabric. Four small feet on the bottom keep it from sitting directly on the floor.

Dimensions:	18 W X 19 H X 18 D (in)
