

SALT & LIGHT

ACCENT STOOL

W23071

Add warmth and relaxed style to any space with this beautifully crafted round stool. The handcrafted wood base features a warm brown finish with light gray distressing, showcasing natural variations that add character and depth. A plush, cushioned seat sits atop the base, upholstered in a soft, textured fabric woven with a soothing blend of white, off-white and brown hues. The neutral, earthy tones create an easy accent for both casual and refined interiors.
